ARCHITEX SERIES

Some speakers, like our Brighton series, are appreciated for their cosmetics as much as their sound. And then there's the stealthy Architex series, which while desired for its sound is truly cherished for its stealth. Featuring technology from the Brighton Series as well as its own unique features such as the Metal Alloy tweeter and tone controls, the Architex series stunning performance and near invisibility makes it the ultimate in custom speakers.

Speakers designed to be heard, not seen!

Invisible bezel design provides the cleanest, stealthiest installation available today!

The Woven Fiberglass Hybrid woofer provides a rich and deep bass response!

Treble controls to modify the sound to your own personal taste!

The 1" Metal Alloy tweeter in a swivel mounting system delivers crystal clear high frequencies throughout your room!

Round magnetic grilles included!
