

BRIGHTON

iX SERIES

The **Brighton iX series** provides legendary Sinclair technology and performance in an extremely slim, designer appearance so it fits perfectly into modern, trendy decors.

The series features Sinclair's Woven Fiberglass Hybrid drivers, renowned for their accuracy and power handling of bass frequencies, and the 1" Black Diamond Silk Dome that produces extraordinary realism, providing an acoustic combination that results in an unparalleled movie, music and gaming experience. The slim speakers are finished in a unique black ash gloss finish with dark silver highlights over the grilles that produce an elegant look. The series consists of a dual 5 tower, 4" bookshelf, a new dual 4" center channel, and a new, smaller yet extremely powerful 8" sub.
